

# Conway Institute Proteome Research Centre

## PROTEOMICS WORKSHOPS 2005

Seminar Room 1 - Conway Institute

### Proteomics Workshop 1

Wednesday, April 6<sup>th</sup>: 1.00pm – 2.00pm

- **Introduction to Proteomics**
- **Protein separations – 2-dimensional gel electrophoresis**

### Proteomics Workshop 2

Wednesday, April 13<sup>th</sup>: 1.00pm – 2.00pm

- **Protein characterisation by mass spectrometry**
- **On-line Liquid Chromatography- mass spectrometry**
- **Off-line Liquid Chromatography- mass spectrometry**

### Proteomics Workshop 3

Wednesday, April 20<sup>th</sup>: 1.00pm – 2.00pm

- **Targetted proteomics strategies**
  - Sub-cellular proteomics**
  - Phosphoproteomics**
  - Quantitative proteomics**
- **Protein informatics**

All welcome to attend
